2010 Violet Rudd Sister-to-Sister Walk

A walk honoring our sisters from the past . . . assisting our sisters in the present . . . preparing our sisters for the future

Proceeds from the Walk will further two great causes: Half of the proceeds will go to our national Break the Chains project to support new ministries working to abolish human trafficking, and half of the proceeds will empower national AB Women's Ministries to provide leadership, vision, and resources to women and girls.

I, _____, am planning to walk _____ miles. How many dollars per mile will you donate to support my participation in this worthy event?
